

Up Close and Green COSMOS Guide

Croda offers a range of ingredients that are approved by COSMOS, providing formulation flexibility for a variety of natural cosmetics.

With a wealth of green formulating expertise, Croda offers a broad portfolio of green ingredients and inspirational formulating ideas. Go to <https://www.crodapersonalcare.com> and use our Product Finder to search for your COSMOS Approved or Certified products today.

For more details about COSMOS regulation, go visit the website <https://cosmos-standard.org/>

The following products have been approved and/or certified by COSMOS and ECOCERT. Please contact your Croda representative if you require a copy of the COSMOS or ECOCERT conformity statement.
